OFFICE OF THE DIVISIONAL FOREST OFFICER, SHIMOGA DIVISION, SHIMOGA.

Notification dated 20th December 1962.

Auction sale of Teak Ballies in Shimoga Forest Divisions.

It is hereby notified for the general information of the public that the undermentioned quantities of Teak Ballies available in 1957 Research Teak Plantation of Sacrebyle Range, will be sold in public auction by the Divisional Forest Officer, Shimoga Division, or the Officer deputed by him. The place where the sale will be conducted and the date of sale are furnished in the schedule below.

The sales are subject to the following conditions:—

1 Each bidder shall, before he is permitted to bid, be required to furnish an earnest deposit of Rs. 50 with the sale conducting officer. The deposit will be refundable to him at the close of the sale, if his bid is not accepted.

2 The person whose bid is accepted shall, immediately after the close of the sale, pay 25 per cent of the bid amount calculated on the approximate quantity advertised for sale, and S. T., failing which the Teak ballies will be resold at the risk of the defaulting bidder who will be liable for the loss, if any, which will be recoverable from him as the arrears of land revenue. This will be adjusted towards the value of Teak ballies,—1,000 ballies to be removed by him.

3 (a) The bid to be offered should be as so much per Teak ballies in lots stacked.

(b) Defaulters to the department will not be allowed to bid at the sale.

4 Power is reserved by the sale conducting officer to accept or reject any bid without assigning any reason therefor.

5 Within a week from the date of intimation of the confirmation of the sale, the person whose bid is accepted shall furnish a security deposit equal to 10 per cent of the total value of Teak ballies exposed for sale, execute an agreement on a stamped paper of Rs. 2.25 nP. and receive the work order.

6 Immediately after the receipt of the work order the purchaser shall transport teak ballies.

7 The Purchaser shall pay the value of the Teak ballies in full obtain T. P. from the concerned Range Forest Officer and then only remove the Teak ballies.

8 During the course of removing of Teak ballies, the purchaser and his men shall abide by the Departmental rules and regulations. For any offence committed by the Workers or against the purchaser, the purchaser himself will be held responsible and action taken against him.

9 The removal of teak ballies shall be completed within the end of February 1963. The teak ballies remaining in the areas after the above period will lapse to Government and the Government has power to dispose off the same to the best advantages of the Government.

10 The purchaser will be held responsible for the offences committed within a radius of 220 yards round about the working area during the period of his working.

11 The bidders are informed that they may see that lot before the sale date along with the forest Officials and make sure of the teak ballies available for sale. Any objection in this regard will not be entertained after the conclusion of the sales.

12 The purchaser shall make his own arrangements for opening new roads and cart tracks, for the transport and the Department will not take any responsibility of this work.

13 The purchaser has to abide by any other conditions that will be insisted by the Conservator of Forests or the Divisional Forest Officer, and which will be included in the agreement to be executed by him.

14 For the breach of any of the above conditions the District Forest Officer has got powers to forfeit the security Deposits in full or part and to cancel the contract and take suitable action to carry out the work at the risk of the original purchaser. Any loss Sustained by the Government in this connection will be recovered as arrears of land revenue from the original purchaser.
